

UT ARLINGTON POLICE DEPARTMENT

BICYCLE THEFT PERSONS OF INTEREST Issue Date: 2/03/2022

CALL UTA Police at 817-272-3003 if you see any of these individuals on campus

Over the past few months, UT Arlington has had many bicycle thefts.

To help prevent YOUR bicycle theft:

- Register your bike - <https://police.uta.edu/crime-prevention/bicycle-theft/registration.php>
- Park your bicycle where there is a high degree of pedestrian traffic.
- Always secure your bike to a bicycle rack.
- Position the lock as high off the ground as you can so it's difficult to smash the lock or pry it open.
- Always try to anchor both wheels as well as the frame with your chain or cable. Never lock your bike by the front or rear wheel alone.
- If your bicycle is stolen, please report it to the Police Department. Many times, the UPD recover bicycles that have not been reported stolen, and we are unable to give them back to the rightful owners.

The following are persons of interest who have been identified by either patrol or through police investigations.

If these persons are seen on campus, please notify UTA Police Department at 817-272-3003. They ARE NOT students. DO NOT APPROACH THEM. DO NOT ATTEMPT TO DETAIN THEM. Immediately call the police department and report their presence on campus. Be prepared to provide a basic physical description and their last known direction of travel. Police Officers will be dispatched to contact them.
