I have been given a copy and have read the Emergency Use Authorization (EUA) or the Vaccine Information Statement (VIS) for the COVID-19 Vaccine. I have had the chance to ask questions that were answered to my satisfaction. I believe that I understand the benefits and risks of the vaccine requested and ask that the vaccine indicated be given to me or the person named for whom I am authorized to make this request.

My signature acknowledges that I was advised to remain on site for 15 minutes after receiving the vaccine. Those with previous anaphylactic reactions should stay for 30 minutes.
